SHOPPING

Home to one of the largest Westfields in NSW, Parramatta is the perfect destination to engage in some retail therapy. Find everything you need from Australia's iconic department stores to boutique buys – and it's located right in the heart of the CBD.

But the shopping experience doesn't stop there. The streets and laneways of Parramatta are filled with hidden gems worth exploring. And with new retail businesses moving into Parramatta Square, the local shopping experience is set to become even better.

CHILDCARE

Long Day Care

The City of Parramatta provides long day care centres for children from birth to school age, offering quality care and learning experiences through a variety of educational programs. Centres are open for 11 hours per day, five days per week for 49 weeks per year.

Our qualified teachers and childcare workers are from a variety of cultural backgrounds and provide excellent care and education for your child's individual needs.

Council supports the provision of quality early learning services and all of our centres are licensed and accredited with relevant authorities, and meet all national and state standards.

Daily programs are provided to develop children's strengths, interests and needs and to respect their cultural backgrounds. These programs encourage children to share and express ideas individually and to develop social skills.

Play equipment activities and experiences are provided to develop children's physical skills, creativity and to stimulate their development through activities such as games, stories, music, art and craft.

Healthy meals and refreshments are provided for children during lunch, morning and afternoon tea times.
